ELIZABETH AND TAB WILLIAMS ADULT DAY CENTER

The Elizabeth and Tab Williams Adult Day Center of Senior Services, Inc. provides a safe, caring environment for adults who need daily supervision, socialization, and assistance with the activities of daily living. The Williams Day Center is the 2010 winner of the National Outstanding Day Center award by the National Adult Day Services Association and is a Music & Memory certified facility.

SERVICES PROVIDED:

A structured program of meaningful activities, nutritious meals, and opportunities for socialization are provided. The staff includes a director, a health care team led by a registered nurse, and program specialists. All staff have dementia training and experience.

Our programming includes musical opportunities, such as Kindermusik, live performers, and interactive drumming. Exercise is incorporated through a variety of activities held inside and outside, like beach ball volleyball, corn hole, and a daily walk around the main dining room. Arts, crafts, and mind-stimulating game play are sprinkled throughout the monthly calendar, as well.

In addition to providing a stimulating and safe experience for participants, the Williams Day Center allows caregivers to continue their work and other family responsibilities during the day with the knowledge that their relative is safe and well cared for.
