

IT'S CHRISTMAS IN JULY!

Basic household necessities play a role in helping older adults remain in their homes and are sometimes hard to come by for older adults living alone or with frailty.

Please help seniors in our programs by making a financial donation at seniorservicesinc.org or by donating any of the comfort, care, and household help items on our wish list.

Beginning June 30, contributions and donations can be made at any Forsyth County branch of **Piedmont Federal Bank** or at **Senior Services**, 2895 Shorefair Drive (Monday–Friday, 8:00 AM–4:00 PM).

For more information, visit seniorservicesinc.org. **Thank you!**
