

# Remember in December

## Wish List

Social distancing and isolation during the pandemic has created heightened concerns and increased needs for many Senior Services program participants.

Please help by making a financial donation at [seniorservicesinc.org](http://seniorservicesinc.org) or donate any of the listed items to be distributed to seniors we serve.

Beginning November 30, contributions and donations can be made at any Forsyth County branch of **Piedmont Federal Savings Bank** or to **Senior Services** at 2895 Shorefair Drive (Monday–Friday, 8am–4pm). For more information, visit [seniorservicesinc.org](http://seniorservicesinc.org).

**Thank you!**
