

Remember in December

Basic household necessities play a role in helping seniors remain in their homes and are sometimes hard to come by for older adults living alone or with frailty.

YOUR INVOLVEMENT MATTERS

Too many local seniors are alone, hungry and struggling to meet their basic needs. Your gift will change their lives! Hundreds of our neighbors go without many of the basic items that most people take for granted but are vital to living a healthy life and remaining at home. Your participation in Remember in December will help to distribute care packages of essential items to older adults that we serve across Forsyth County.
